Moon International Pak Pvt.
Limited

Offers 2 Days Workshop on

ITIL Foundation
Certification

Registration Open
for Saturday 6th and
Sunday
7th December Session

In just 2 days workshop you will not only be able to understand all the new and old concepts of ITIL but will also be able pass your exam and will achieve one of the most prestigious Certification of IT.

Benefits of Taking ITIL Certification

- ITIL Certification will allow you to understand the common language of ITIL, understood by IT professionals worldwide, and will increase your standing within the IT community.
- ITIL gives you an adaptive and flexible framework for managing IT services and encourages you to use common sense rather than follow a rigid set of rules.
- ITIL helps you Improve your Employment Prospects
